★★  
ABENTEUER

The casual visitor to Botswana could be excused for seeing the country as kilometer upon kilometer of flat, desolate scrubland with little or no surface water. However, to the north lies the magnificent Okavango waterway, with its green and fertile plains, flowing straight into the sea of sand, the Kalahari Desert, and creating a unique natural wonderland – home to a multitude of Africa’s Fauna and Flora. Almost a quarter of this country is devoted to wildlife sanctuaries and these remote and unspoilt wilderness areas are widely acknowledged as offering the finest game viewing in Africa.

#### DAY 1: ARRIVAL - MAUN LODGE

On arrival at the Maun Airport we are met by the Drifters staff and transferred to the Drifters Maun Lodge. The Lodge is located on the banks of the seasonal Boteti river and offer comfortable accommodation in tented units overlooking the river. This afternoon there will be time for a swim in the pool or just to relax and enjoy the serenity of the area. We enjoy a catered meal prepared by the Lodge.

#### DAY 2 - 3: FLEXIBLE GAME RESERVE SCHEDULE (Moremi) 2 x

This morning we enjoy breakfast and then depart from the Lodge into the National Parks of Botswana. In our well-equipped 4 X 4 vehicle we head into the wilderness, passing remote villages along the way. Moremi offers a multitude of game drive options and we spend out first two nights the Savuti rea.

During our time we will conduct extensive game drives within the area.

#### DAY 4 - 7: FLEXIBLE GAME RESERVE SCHEDULE (Savuti & Chobe) 4 x

This morning we enjoy breakfast and then depart to continue our journey through the parks.

We will spend most our time in the park in search of animals and our guide will take time to explain the behavior of the animals we encounter.

The vegetation is constantly changing, from open plains, palm trees and marshland, to dense

Mopane woodlands and Acacia scrub as we travel into Savuti and finally into the Chobe flats known for its great herds of elephants. Each night we will camp in pristine, remote, private sites where there is no sign of Mans existence – we leave each site in the same condition with the only thing taken are photos and the only thing left are footprints.

#### Serviced Camping

The Private Botswana tour offers guests the added value of a serviced camping experience in the National Parks of Botswana. During our nights in the Parks the Drifters staff will handle the camp setup every night and our staff will put up your tent and take care of all the camp duties which mean there is no participation required from guests.

#### DAY 8: VICTORIA FALLS

Today we say farewell to the national parks and slowly exit the park to arrive in Kasane just before lunch time where we will partake in an afternoon boat cruise on the mighty Zambezi River. Here we will say goodbye to our guide before we continue on the next leg of our journey to Victoria Falls. We will take a transfer from the border to the Greenfire Lodge Victoria Falls where we spend the next two nights.

#### DAY 9: VICTORIA FALLS

This morning we awake to the “Adventure Capital of Africa” - Victoria Falls. Here we will have a full day, giving us ample time to explore the Falls and to participate in the multitude of activities on offer. White water rafting, bungee jumping, aircraft flips etc. (An evening’s meal and lunch will be at your own expense.)

#### DAY 10: DEPARTURE

We enjoy breakfast at the Lodge before we take our transfer to the airport for our journey back home.

In South Africa it is common courtesy to tip casual help for services rendered. In the case of your guide, if you were happy with his or her services, an amount of R 50 per day per person would constitute a reasonable tip. By not tipping for services you are expressing displeasure.

Please keep in mind that flexibility and an open mind will greatly contribute to an enjoyable safari.

We are travelling in developing countries, please do not expect the punctuality you have come to expect in first world countries. Things do not always run according to plan, however we do endeavour to run according to the itinerary as best as possible.
